## **Cal OES Fire Preparedness Levels**

<b>National</b>	<b>Northern California</b>	<b>Southern California</b>
<b>Preparedness Level 5</b>	<b>Preparedness Level 4</b>	<b>Preparedness Level 3</b>
	<b>Multi-Agency Coordination System MACS Mode: 3</b>	<b>Multi-Agency Coordination System MACS Mode: 2</b>

### **Young, Vegetation Fire, Del Norte County**

Location: Siskiyou Wilderness

Jurisdiction: FRA

Per Cal OES Duty Officers and ICS-209 as of 08/22/17 at 1822 hours:

- 1,300 acres, 0% contained
- Expected Containment: 10/15/17
- Monitor to ensure fire stays within the determined project area

### **Orleans Complex, Vegetation Fires, Siskiyou County**

Location: Ukonom Mountain and Siskiyou Wilderness

Jurisdiction: FRA

Per Cal OES Duty Officers and ICS-209 as of 08/22/17 at 1736 hours:

- 8,621 acres, 51% contained
- Expected Containment: 09/30/17
- 2 single residences, 5 other minor structures threatened
- Line construction and suppression

### **Eclipse Complex, Vegetation Fires, Siskiyou County**

Location: Near Happy Camp

Jurisdiction: FRA

Per Cal OES Duty Officers as of 08/23/17 at 0547 hours:

- 37,445 acres, 19% contained
- Expected Containment: 10/10/17
- Continue implementation of secondary suppression indirect containment lines

# **FIRE ACTIVITY**

## **Salmon August Complex, Vegetation Fires, Siskiyou County**

Location: Marble Mountain Wilderness and Trinity Alps Wilderness

Jurisdiction: FRA

Per Cal OES Duty Officers and ICS-209 as of 08/23/17 at 0638 hours:

- 9,578 acres, 16% contained
- Expected Containment: 09/20/17
- Assembling resources

## **Ruth Complex, Vegetation Fires, Trinity County**

Location: Dutchman Rd, 7 miles East of Zenia

Jurisdiction: Federal DPA, FRA

Start time: 08/07/17 at 2233 hours

Per Cal OES Duty Officers and ICS-209 as of 08/22/17 at 1723 hours:

- 4,736 acres, 95 % contained
- Expected Containment: 08/25/17
- Continue to strengthen containment lines

## **Toll, Vegetation Fire, Plumas County**

Location: 2 miles north of Quincy

Jurisdiction: FRA

Per Cal OES Duty Officers and ICS-209 as of 08/23/17 at 0601 hours:

- 358 acres, 85 % Contained
- Expected Containment 08/30/17
- 2 fires - Toll = 58 acres and Squirrel = 300 acres Total
- 50 residences and 20 minor structures threatened
- Continue to anchor, flank and construct direct line, continue to scout for contingency lines
- Critical fire weather anticipated with thunderstorms forecasted for the fire area

## **Activations**

- Plumas County EOC is activated at Level 1, operational period 0600-1800
  - 1400 East Main Street, Quincy

## **Deployments**

- 1 Cal OES Emergency Services Coordinator (ESC) assigned to the Plumas County EOC
- 1 Cal OES Fire and Rescue Branch Assistant Chief on scene as the Agency Representative

# **FIRE ACTIVITY**

## **South Fork, Vegetation Fire, Mariposa County**

Location: 1.5 miles east of Wawona

Jurisdiction: FRA

Per Cal OES Duty Officers and ICS-209 as of 08/23/17 at 0610 hours:

- 4,012 acres, 22% contained
- Expected Containment: 09/03/17
- Structure threat mitigated
- Strengthening of contingency lines around the community of Wawona have been completed. Natural barriers are being utilized as much as possible in securing the fires edge

## **Evacuations**

- A mandatory evacuation order was enacted for the community of Wawona. The order was for all areas east of Highway 41 along Chilnualna Falls Road and Forest Drive.
- Approximately 300 persons were evacuated, half of which were believed to be vacationers.
- Yosemite National Park is closed to visitors and guests in the area east of Highway 41 on Forest Drive and Chilnualna Falls Road.
- Permanent residents are advised to be ready to evacuate within 12-24 hours.

## **Shelter**

- Tenaya Lodge 1122 CA-41, Fish Camp (American Red Cross Shelter)
  - Midnight Shelter Count: 8

## **Indian, Vegetation Fire, Tulare County**

Location: 2 miles north of Jordan Hot Springs

Jurisdiction: Federal DPA, FRA

Per Cal OES Duty Officers and ICS-209 as 08/22/17 at 1652 hours:

- 2,295 acres, 80% contained
- Expected Containment: 08/30/17
- Utilize Air and hand crews, begin to demobilize crews and start suppression rehab

# **WEATHER OF CONCERN**

## **Weather of Concern**

- Thunderstorms are expected again today in Northern California that may produce local heavy rain with flash flooding potential.
- There are concerns with lightning outside of the storm area which may produce new fire starts.
- The San Joaquin Valley Air Pollution Control District Air Quality Alert due to the South Fork wildfire in Mariposa County and surrounding areas will continue to be in effect until tomorrow.

## **Active Weather Warnings, Watches and Advisories by County:**

- <https://alerts-v2.weather.gov/counties/CA>

## **WEATHER SYNOPSIS BY REGION**

### **NORTHERN CALIFORNIA**

Dry and breezy over the higher terrain Thursday-Friday

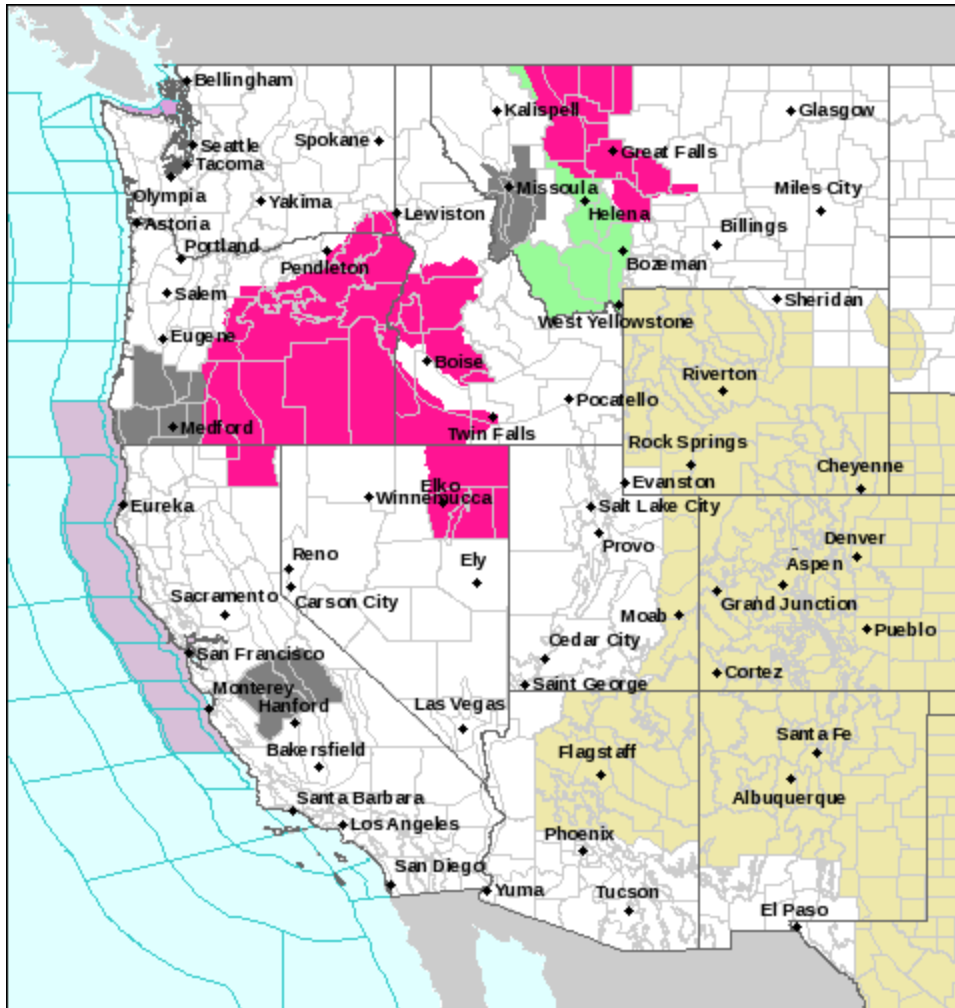

Today, the plume of moisture will begin to move off to the east impacting mainly the Northeastern California, Northern Sierras, and the Far East Side predictive service areas (PSA)s with scattered wet convection. A few storms may also be possible in the Northwestern Mountains near Mount Shasta.

Looking beyond today, the focus shifts from convection to wind as a cold front moves east across the Pacific Northwest on Thursday. Breezy west winds are expected across the higher terrain in the northern PSAs that border Oregon. Breeziness could continue into Friday as a weak disturbance moves across the northern portion of the state. Looking beyond Friday, a very warm and dry ridge of high pressure will set up over the region and over the Great Basin prompting a return to above normal temperatures, low afternoon humidities, and poor smoke dispersion.

### **SOUTHERN CALIFORNIA**

There will continue to be isolated wet thunderstorms each afternoon across the Sierra as well as over the eastern deserts through today with dry weather following into the weekend. The marine layer will slowly decrease later this week with varying amounts of low clouds and fog during the night and morning hours. Minimum humidity will be in the 20-40% range through tomorrow. Winds will be variable 5 to 15 mph most days this week, except for gusty northerly winds of 10-25 mph across the Santa Ynez Mountains tomorrow evening and overnight. By the weekend, high pressure will develop over the Great Basin with temperatures increasing to above normal levels across all the inland areas. Weak offshore flow Sunday and Monday will help to boost temperatures even further, with above normal temperatures expected even at the beaches by Monday. A few wet thunderstorms may return to some of the desert areas near the Colorado River Sunday and Monday, otherwise it will be dry across the region. Night and morning low clouds and fog will become confined to the immediate coastline by Sunday.

# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Missions

- **2017-LAW-38236, 8/22/17, 0745 hours:** El Dorado County Sheriff's Office (EDSO) requested SAR assistance to locate a missing 59 year old male mountain bike rider. The victim was last seen at approximately 1330 hours, 08/21/17, in the Dardanelles Lake area of El Dorado County. At approximately 1000 hours, a CHP helicopter assisting in the search located the missing person, however, was unable to land due to the terrain. Resources not already on scene were cancelled. Ground searchers were deployed to the location and discovered the victim lost, but uninjured. At approximately 1300 hours the ground team hiked out with the victim and concluded the mission. **MISSION CLOSED.**
- **2017-LAW-38252, 8/23/2017, 2140 hours:** El Dorado County Sheriff's Office (EDSO) reported a SAR mission in progress near the Forni Creek area of El Dorado County at approximately 7,000 feet in elevation. Seven hikers reported they were caught unprepared for heavy rain and a sudden drop in temperature, and were becoming hypothermic. Due to an extended period of time it would take for ground searchers to reach the victims, combined with the immediacy of the risk to the victims, EDSO contacted Washoe County Sheriff's Office, NV (WCSO) and requested a hoist capable helicopter to extract them. WCSO accepted the mission and deployed a helicopter. EDSO requested a mission number of the out-of-state assist for tracking purposes. At 0020 hours EDSO reported that the WCSO helicopter located and extracted all seven victims. They were wet and cold, but otherwise uninjured and did not require further medical attention. The victims were flown to their vehicles and EDSO concluded the mission. **MISSION CLOSED**

# Cal OES MISSION TASKING

## Cal OES Missions

- **2017-Cal OES-35819:** Twelve Caltrans engineers requested to conduct damage and site inspections throughout the state for impacts related to 2017 February Winter Storms. The lead engineer will report to the Joint Field Office to coordinate the response.
- **2017-Inland-37583:** DTSC Hazardous Waste Task Force (Mariposa OA)
- **2017-Inland-37584:** CalRecycle Debris Management Task Force (Mariposa OA)
- **2017-Inland-37776:** 2 Air Monitors for Mariposa County
- **2017-Inland-38039:** Five California Air Resources Board (CARB) air monitors have been placed in Siskiyou County to monitor smoke from numerous wildfires in Siskiyou County as well as smoke drifting into Siskiyou County from wildfires in Modoc, Trinity, Del Norte and Humboldt counties.

## Cal OES EMAC Missions

- **2017-SOC-36209:** Two Public Assistance (PA) Coordinators from the state of New Jersey have been assigned to California through the Emergency Management Assistance Compact (EMAC) system. **UPDATE:** Two PA Coordinators (Team 2) began providing support at the Sacramento JFO beginning 07/31/17.
- **2017-SOC-38079:** Two PA Coordinators (Team 4) from the state of Colorado have been assigned to California through the EMAC system.
- **2017-SOC-38123:** 1 HH-60 Blackhawk with 4 person crew and hoist capabilities to conduct potential MEDEVAC in vicinity of Baker City, Oregon before, during, and after the Great American Eclipse.
- **2017-FIRE-38210:** 3 Cal OES Fire and Rescue Task Forces assigned to Chetco Bar Fire, Curry County, Oregon
  - 2 Task Forces from Region II and 1 Task Force from Region III assigned to Harbor Kite Field, Harbor, Oregon
  - Each task force is comprised of 4 OES Type I Engines and 1 OES Water Tender
  - 1 Cal OES Fire and Rescue Assistant Chief assigned as an Agency Representative
